JEALOUS

Councilman Murdered His Sweetheart's Mother.

Assaulted the Girl With a Heavy Pitcher and Stabbed the Mother When She Tried to Save Her.

By Telegraph to THE TIMES.
Uniontown, Pa., June 3.—Mrs. Minerva Monaghan was murdered in her home shortly after midnight while trying to protect her daughter Mrs. McCogan, from an attack of Councilman McCormick. She was stabbed in the neck and died in a few minutes. McCormick was jealous of a young man whom he found in company with Mrs. McCogan and assaulted her with a water pitcher. When her mother interfered he stabbed her. McCormick fled but was arrested.

Fourth Advance in Wages.

By Telegraph to THE TIMES.
Birmingham Ala., June 3.—Tennessee Coal Iron and Railroad Company today made fourth advance in wages of its miners of 2½ cents per ton, making basing price mining 50 cents ton Bratt mines bases. Six thousand men are affected.

Just Touched the Mud.

By Telegraph to THE TIMES.
Southampton, June 3.—It later developed that the St. Louis merely touched on the mud, and proceeded immediately afterwards.

A Question of Veracity.

Prosecuting Attorney Bannon denies that he knew anything of reduction of the bond of John Milton Thompson, the forger, but Attorney R. C. Myers and Thos. C. Beatty, who got the bond reduced, say that he did agree, and suggested the sum agreed upon—\$400. These statements are interesting. It is now up to the three gentlemen mentioned. The bold fact remains that a forger was set free only five days before a special grand jury was to sit to pass on the case, and the officials certainly had knowledge of this.

Will Close Their Store.

Ellery Bros. have concluded to discontinue their Chillicothe Street Bargain store. They have had a very profitable business since coming to Portsmouth, but owing to the fact that one of the brothers has withdrawn from the firm and as they have three other large stores in active operation it became necessary to close one of them and it fell to the lot of the Portsmouth store to be closed. Meanwhile persons wishing to purchase their line of goods will do well to carefully read their advertisement in today's paper.

Notice to Scioto Lodge Members.

All members of Scioto Lodge No. 31, I. O. O. F. are requested to meet Sunday at 12 o'clock to attend the funeral of the late James Simpson. A cordial invitation is extended to Portsmouth lodge and all visiting brethren in the city to join with the lodge. The funeral services will take place at Manly chapel, at 2 p. m., Rev. J. W. Dillon officiating.

Henry Springs News.

Dr. E. S. Ricketts, of Cincinnati, removed a tumor from Miss Lucy Deemer, of Henry Springs, Friday, and made arrangements to bring a number of his hospital patients to the Springs for the summer. Last Sunday fifty people took dinner at this popular resort. It has been selected by the Portsmouth Cycling club as their summer headquarters.

They Voted for Douglas.

A message to the Times from the Columbus Press-Post of Friday, stated that the Scioto county delegation voted for Daugherty on the first ballot. This was an error, as the delegation voted for Douglass on the first, and for Nash when he was nominated.

ONLY TWO-THIRDS.

That's the Report of the Wheat Crop in This State—Hessian Fly's Work.

By Telegraph to THE TIMES.
Columbus, June 3.—The crop report for June 1st puts wheat back eight points since May 1st. It is now seventy per cent., which is less than two-thirds of the average. Winter killed it in the North. In twenty-seven central counties the Hessian fly has done much damage and is still at work. Short straw and poor filling heads are reported all over the state.

HOWARD TRIAL

Necessitates Presence of a Company of Soldiers and a Gatling Gun.

By Telegraph to THE TIMES.
Lexington, Ky., June 3.—One hundred men of the First Kentucky and a gatling battery left today on a special train for Clay county to preserve order at the trial of Thomas Howard for murder. Howard's connection with a bitter feud makes the presence of troops necessary.

Brown's New President.

By Telegraph to THE TIMES.
Providence, R. I., June 3.—Rev. W. H. P. Faunce, of New York, was today elected president of the Brown university.

ABANDONED

Is the Idea of Building a Railroad Up Carey's Run.

Reitz & Co., and other capitalists have abandoned the idea of building a railroad up Carey's run, at least for the present. The reason for this was that some of the property holders along the route suddenly discovered that their land was very valuable. They seemed to think the railroad builders were a regular Klondike, and they wanted to get rich off of them. One man who owned a few acres of worthless hillside wanted \$200 an acre for it. This kind of work was discouraging to the railroad men, and as they could not get any concessions they gave up the idea of building the road.

POLICE NEWS.

Dr. H. O. Smith, who beat his wife, was sent to Ironton in care of his better half this morning.

Al Hunter will have his trial Tuesday morning at 9 o'clock, for keeping a disorderly house.

The barkeeper was entirely innocent of any designs on the Kentucky citizen. The police came very near locking up the Kentuckian, but he begged off and promised to be good.

Wilcox Express Robbers Get Big Loads of Booty.

The Steamer St. Louis Lies Aground at Southampton—Traveler Dies on the Cars—Other News.

By Telegraph to THE TIMES.
Paris, June 3.—The court of cassation decided in favor of the revision of the Dreyfus case and ordered a new court martial to sit at Rennes, for his trial.

Dreyfus has been confined at Devil's Island, off the coast of French Guiana, for several years under court martial sentence for giving French military secrets to the German government. Later developments showed he was made the victim of a foul conspiracy on the part of high army officials, who, almost without exception, have committed suicide or fled the country.

Dreyfus' wife, with woman's faithful love, has never believed him guilty and has labored unceasingly in his behalf. It is the sympathy she has aroused that eventually led to a new trial that will undoubtedly result in his complete exoneration.

Robbers' Big Booty.

By Telegraph to THE TIMES.
Ogden, Utah, June 3.—W. G. Bruce, one of the mail clerks on the train robbed near Wilcox yesterday, says the robbers occupied two hours in their work. Five of them carried big loads of stuff from the express safe. He thinks they got a large amount of money.

VALER HAROLD, Editor and Manager.

Just as the Times surmised, Prosecuting Attorney Bannon avers, that is the proper legal term, we believe, that he had nothing to do with reducing the bond of Thompson, held for forgery, from \$1,000 to \$500. The question naturally arises, Why was the public prosecutor ignorant of that, which it is his business to know? The people are getting, no doubt, a trifle curious to learn who it is that so successfully keeps the Prosecuting Attorney so ignorant while he is so adroitly pulling the wool over the court's eyes. Supposedly, at least the Prosecuting Attorney is paid to know things that he may give the court such information as to enable it to apply law and justice to the matter in hand.

The Zanesville Signal bitterly complains that the street car service in its town is not run with any apparent desire to please and accommodate the public. If its complaint be founded on fact, and we have no doubt it is, the Zanesville system is entirely different from Portsmouth's. Here the cars are run with no other object than to please and accommodate a public that, it is to be hoped, is altogether appreciative and grateful. Why, only last night, the genial manager, Major Samuel B. Timmonds, got up at 1:30, and himself ran out a special car to Grandview park, solely to oblige a party of giddy youths, who had been out there chasing the glowing hours away, etc.

You may say what you please about the Cincinnati Enquirer's political methods, but it comes nearer than any other paper forecasting the result of Republican conventions. This week while the party organs were figuring on every other outcome, the Enquirer was insisting that a deal was on between Hanna and Cox and whenever the vote of Cox's minions was necessary for Nash's nomination they would be delivered. The result shows the Enquirer knew what it was talking about.

Well may it be said of the gentle Mark Hanna, a prophet is not without honor save in his own country. Mark was rolled in his own county of Cuyahoga, but when it came to the state convention he was the whole thing, with a little timely assistance from G. B. Cox, who knows what it is to be a boss in search of help.

McCormick was to swing Scioto county to Daugherty and in return get Daugherty's vote for speaker. The vote was swung all right, but the Fayette county bushwhacker does not appear to have much to give in return unless to now get out of the speakership race himself, but he isn't that kind.

It is unfortunate, but nevertheless true, that the crop reports indicate short crops all over the country. This is especially so in regard to wheat. The yield of that cereal can not possibly go over seventy-five per cent of what it was last year.

The Times said the Scioto delegation was ready to jump into the band wagon whenever it hove in sight. The vote shows it had the situation diagnosed very accurately.

McKinley has done a popular thing in hitting the civil service fraud a solar plexus blow. The Democrats want those offices after a little while.

Right now is the golden opportunity for Democrats, though the adjective may seem somewhat out of place when applied to them.

The Republican state convention calls for a uniform system of selecting delegates. It has that now—uniformly bad.

There are many interesting tales of the various attempts of the Scioto delegation to do each other up at Columbus.

Since the other fellows were so quickly done for, it is wondered what they went up against Hanna for.

J. Benson Foraker stood mute and inglorious while the procession passed by.

Hanna gave the other fellow ace and spades and then beat them at their own game.

The clouds have a beautiful silver lining to Democrats these days.

It looks like the old guard got it in the neck at Columbus.

Hanna is still the whole thing.

Tooth Saving

Is a practice too many people wish they had begun earlier. There should be more tooth brushing and preserving than there is, and to encourage these practices we make a tooth polish and cleanser so cheap that you can be fairly extravagant in its use. We call it the "Mellfoam" Tooth Dentifrice and guarantee it to contain no injurious substance. A few drops on the tooth brush cleanses and whitens the teeth, antiseptizes the gums and imparts a delightful, refreshing fragrance to the breath. During this month we will sell a good tooth brush for twenty-five cents.

Would Not Suffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me alright. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by Fisher & Streich, druggists.

The firm of Schloss & Co., has dissolved today, A. Schopiro retiring to open the corner book store. Persons holding account with that firm will kindly settle same.

All Members Are Invited.

At the First Presbyterian church tomorrow evening a report of the proceedings of the recent Presbyterian general assembly will be given by Mr. George D. Scudder, who was a delegate to that body from the presbytery of Portsmouth. All members of the congregation are invited to be present, that they may become better informed concerning the work of the church at large.

THEY ARE CONVINCING.

Statement of a Neighbor Is to Be Believed.

Nothing So Convincing as What Persons Whom We Know and Respect Say.

There is nothing so convincing as the statements of people whom we know and respect. If your neighbor tells you something, you know it is true; no neighbor will deceive another; so that is the way it is with Kid-ne-oids. The statements of people living right here in Portsmouth are published that you may ask these people and find out the great good that Morrow's Kid-ne-oids are doing.

We refer you to Mr. L. G. Welch, book-keeper for the Drew, Selby & Co. shoe factory, and residing at 61 East Sixth street. He says: "I was greatly run down and suffered from pain across the small of my back; at times the pains were very severe and would keep me from resting at night; I was nervous and restless. I took Morrow's Kid-ne-oids, which I secured at Fisher & Streich's drug store, for a few days and was relieved; since taking them I have gained very much in flesh."

Morrow's Kid-ne-oids are not pills, but yellow tablets and cure all kidney ailments, headache, nervousness, restlessness, sleeplessness and general debility. They are put up in wooden boxes, which contain enough for about two weeks' treatment and sell at fifty cents a box at Fisher & Streich's drug store. Descriptive booklet mailed upon request by John Morrow & Co., Chemists, Springfield, Ohio.

Want Time Extended.

Engineer Webb, of the Cincinnati, Georgetown & Portsmouth railroad, is at West Union for the purpose of securing an extension of time on the payment of notes to July 1, 1900. If the subscribers agree to this, it is stated that work on the road will begin at once and the road pushed to an early completion.

Charles H. Marks, while acting in the capacity of nurse at the Second Division Hospital of the Fifth Army Corps at Santiago de Cuba, used a few bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy for diarrhoea and found it to work like a charm. For sale by Fisher & Streich, druggists.

TWO PORTSMOUTH BOYS

Write to the Times Describing Their Journey Over the Great Lakes.

Cleveland, O., June 1, 1899. Ed. Times:—This being our first opportunity to advise you of our trip, we do so with great pleasure. We left Portsmouth two weeks ago on the steamer City of Pittsburg, and arrived at the Smokey City the following Monday at midnight. Spending a day or two at Pittsburg, we left for Beatty, Pa., paying a visit to J. N. Gilgen at the St. Vincent college. Spending a day at the college, we left for La Trobe, returning to Pittsburg the following evening.

The next morning we took the train for Cleveland, O., stopping at this beautiful city over Decoration day. We left that evening, accompanied by Ferd Eggers, for Buffalo, N. Y., on the steamer, City of Erie, arriving at Buffalo the next morning at 6 o'clock; thereby taking an electric car to the Niagara Falls, at which place we found the sight-seeing very interesting. After completing our visit to the Falls, we crossed the great suspension bridge for Canada, taking in the most beautiful sights in Queen Victoria's Park. We returned to Buffalo in time to take a steamer over Lake Erie to Cleveland, arriving at Cleveland this morning. We will leave this city Friday for Columbus, arriving at Portsmouth with a very beautiful assortment of views taken by us on our extended trip.

Modest Women

Modesty in women is no less a charm than beauty and wit. Is it any wonder that women afflicted with physical disorders peculiar to their sex shrink from personal examinations by male physicians? The weaknesses and irregularities of women may be recognized by certain unfailing symptoms. Backache, headache, bearing-down pains, irritability and extreme nervousness indicate derangement of the delicate female organism. Bradfield's Female Regulator is the standard remedy for characteristic diseases of women. Sold by druggists at \$1.00 per bottle. THE BRADFIELD REGULATOR CO., Atlanta, Ga.

FIVE STORIES

The New Hotel Will Shoot Up in the Air.

This Was Decided at the Directors' Meeting Held Friday Night.

Contract for the Removal of the Old Building Let to O. M. Branch—Columbus Architect Coming.

The Portsmouth hotel company held a meeting Friday evening at which all members were present.

O. M. Branch was awarded the contract to demolish the buildings now on the hotel site at a price of \$190. He agrees to demolish the building, placing the brick in piles upon the street, and removing all the rubbish, retaining such other material as he may wish. He will begin work Monday, starting on the Salvation Army barracks. Then on the Farmers' National bank building and other buildings as fast as they are vacated.

It was also decided that the hotel would be five stories in height, the dynamo, engine room, etc., all being above ground. This, of course, is done to obviate the disadvantages from high water. A meeting of the board will be held on Monday morning at 6 a. m., at which time a prominent Columbus architect will be present and submit plans. Work will be pushed from now on.

PASSED AWAY.

Death Came to Mrs. Thomas York Friday Night—Sketch of Her Life.

Mrs. Thomas York, of 118 East Third street, died this morning at 4 o'clock at the home of her daughter, Mrs. Wm. Seel, 407 East Fifth street. She was a constant sufferer from stomach trouble, but the direct cause of her death dates from Sunday last, when she suffered paralysis of the throat.

When you can buy Sheets all ready made, ironed, with three inch hems at the top, at less than the price of the goods by the yard, isn't it wisdom to take advantage of it?

The Reason Why

we are able to do this is simple. The manufacturers had bought large quantities in anticipation of the advance in cotton goods, and he in turn has given us the advantage of his foresight. The advance on cotton goods during the past six months will average almost 20 per cent. and they are still advancing. These facts only serve to accentuate the great bargains in

Ohio Republicans Ready for the Fall Campaign.

MEN AND PLATFORM NAMED

Convention Finished Its Work With a Whirl and Hurrah.

RACE FOR PLACES SOON SETTLED.

But Two Ballots Were Necessary to Decide the Struggle for the gubernatorial Nomination and One for the Others—The Platform and What It Demanded and Demands, With Scenes and Incidents of the Big Gathering.

THE TICKET.

For Governor—**GEORGE K. NASH** of Franklin.
For Lieutenant Governor—**JOHN A. CALDWELL** of Hamilton.
For Judge of Supreme Court—**JOSEPH B. BRADBURY** of Meigs.
For Attorney General—**JOHN M. SHEETS** of Ottawa.
For State Treasurer—**I. B. CAMERON** of Columbiana.
For State Auditor—**W. D. GUILBERT** of Noble.
For Board of Public Works—**FRANK A. HUFFMAN** of Van Wert.

Columbus, O., June 3.—The Republican state convention is a thing of the past. On the second day a full ticket was named and a platform adopted with astonishing rapidity.

The convention did its work quietly and harmoniously. Thousands of peo-

GEORGE K. NASH.

ple thronged the great Auditorium during the day and evinced the liveliest interest in the proceedings.

Only two ballots were necessary to decide the contest for the nomination for governor, Hon. George K. Nash of Franklin carrying off the coveted honor. John A. Caldwell of Hamilton was named for second place.

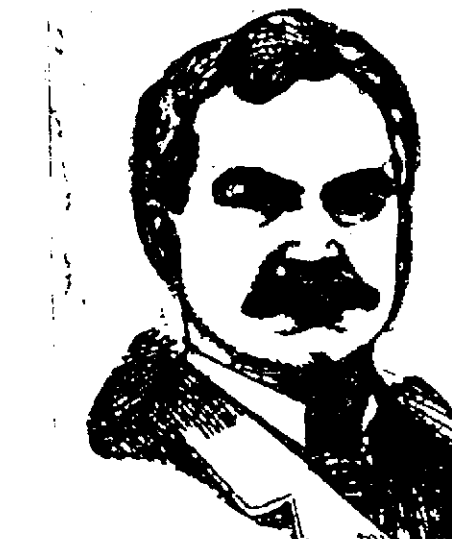

The name of Hon. H. M. Daugherty was presented by James W. Holcomb, chairman of the contesting Cuyahoga delegation that had just been reelected. The name of Judge George K. Nash was presented by Hon. Henry C. Taylor of the Franklin county delegation.

First ballot for governor resulted: Daugherty, 211; Nash, 289; Jones, 76; Nevins, 82; Hull, 39; Durban, 46; Douglas, 60; Orr, 17. Necessary to a choice 407.

Changed to Nash.

On the second ballot changes were so much in favor of Nash as to indicate the nomination. Nash gained only one vote in Cuyahoga county, but when Cox cast the 46 votes of Hamilton county solid for Nash there was a tremendous demonstration that was considered the signal to get on the band wagon.

When the nomination of Nash was secured on the second ballot Chairman Holcomb of Cleveland attempted to move to suspend the rules and make it unanimous before the ballot was com-

JOHN A. CALDWELL.

pleted, but the ballot proceeded till the end, and then on motion of Chairman Holcomb of Cleveland the nomination of Nash was made unanimous without a count.

The second ballot for governor, as completed was: Nash, 446; Daugherty, 210; Jones, 27; Nevins, 55; Douglas, 43; Durban, 21.

Daugherty Yields.

In the midst of the turmoil and the noise of thousands of voices Mr. Daugherty himself appeared on the stage, and in a ringing voice he spoke to the convention as follows:

Gentlemen of the Convention—I have been informed by what I believe the best authority that the Republican party of the state of Ohio has nominated a gentleman who will be the next governor of Ohio. And while this is a good deal of news, I am not dancing a jig at his own funeral, because less there is a great deal of pleasure in doing it. I thought it might be becoming to me, inasmuch as I felt the disposition in my bosom to do so, to come before this

convention and say to you, my fellow Republicans of Ohio, that I cheerfully ratify the choice of the convention. To you, my friends, who have paid me the compliment of casting your votes for me for this high office, I have nothing to offer but my most sincere thanks. To those who supported the victor in this contest, I bear no malice. The will of the Republican party of Ohio is the will of the people; the success of the party is the hope of the people. Much depends upon the election of this ticket, for this campaign will be but a call for volunteers for the great army of 1900, which will elect the president of the United States his own successor.

I will remain a private citizen, not because of my own choice, but because that is a privilege that no man dare deny me. I am determined to have my own way about something. I thank you, gentlemen of the convention.

Other Offices.

The remainder of the ticket was nominated with such rapidity as to nearly take the breath away from the average delegate. It showed the leaders had got together and fixed up a slate, the deal being exposed in the nomination of Hon. John A. Caldwell of Cincinnati, a prominent Cox follower, for lieutenant governor.

In the balloting for lieutenant governor, Cuyahoga county cast 52 of her 58 votes against Caldwell of Hamilton county. The ballot resulted: Caldwell, 549; Alexander, 214; Wilson, 78. Necessary to a choice 407.

W. D. Guilbert of Caldwell was re-nominated for auditor of state, without opposition.

Isaac B. Cameron of Lisbon was nominated for state treasurer.

James M. Sheets of Ottawa was named for attorney general on the third ballot. It was said the slate was broken in selecting Sheets, as L. W. Hull, who had been a candidate for governor, was counted as the "slate candidate."

John P. Bradbury, for supreme judge, and Frank Huffman, for member of the board of public works, were re-nominated.

PLATFORM IN FULL.

The committee on resolutions reported the following, which the convention adopted unanimously:

The committee on resolutions beg leave to make the following report: The Republican party of Ohio reaffirms the principles declared by the St. Louis platform.

We earnestly indorse the great administration of William McKinley. It is distinguished to a remarkable degree in the history of national administrations. Under the last Democratic administration, and as a result of Democratic principles and policy, our industries were destroyed, capital and labor were unemployed, the poor suffered as never before in our history, agricultural products could not be sold because consumers could not earn money with which to buy, and every branch of trade felt the blighting influence of the Democratic tariff reform hard times; the treasury of the United States was depleted, and the gold reserve disappeared. The government borrowed money to pay current expenses, increasing the public debt in time of peace by hundreds of millions of dollars.

The Democratic party proposed to the people as a remedy for all these Democratic ills, a depreciated and dishonest currency, which intensified every evil.

During all that period of depression and distress, the Republican party stood fast for the principles and policies under which the American industry had been built up and had flourished. The Republican party of Ohio reaffirms the principles and policies under which the people had prospered and the nation had grown great for a generation; stood fast for a sound and earnest currency, and in 1896 elected to the presidency William McKinley, the best exponent of Republicanism and true American ideas and policies, and friend of every American industry and the wise and patriotic defender and advocate of honest money.

Under this splendid Republican administration public credit has been restored, the prosperity of the people has developed, our commerce has grown great, our trade, domestic and foreign, has increased to a degree never before known, and the people are looking for greater things to come.

Praise for War Heroes.

The magnificent achievements of our army and navy in the war with Spain for the liberation of down-trodden and oppressed people of Cuba from the domination of Castilian despotism, accomplished under the master guidance of a Republican administration, are necessarily subjects for highest encomium by a convention of Ohio Republicans.

To the same master guidance, controlled by the great principles that have shaped the high destiny of the Republican party, from Lincoln to McKinley, the people can safely commit the solution of the momentous problem of the future of Cuba, Porto Rico and the Philippines. Their wise solution will vastly increase our foreign trade, spread American civilization abroad, and add to the honor and power and glory of this great nation.

We commend the president for the judicious modifications of the civil service rules, recently promulgated.

For the national defense, for the reinforcement of the navy, for the enlargement of our foreign markets, for the employment of American working men in the mines, forests, farms, mills, factories and ship yards, we demand the immediate enactment of legislation similar to the favorably reported to each branch of the 55th congress at its last session, so that American-built, American-owned and American-manned ships may regain the carrying of our foreign commerce.

We are proud of the brilliant and conspicuous services rendered to the people of the state and the country by the senators from Ohio, Hon. Joseph E. Foraker and Hon. Marcus A. Hanna, and of the matchless record of the delegation of Republican congressmen now representing the Buckeye state.

The present administration of state affairs under Governor Asa S. Bushnell has been able, wise and economical. It is pure, free from scandal and eminently satisfactory to the people of the state without regard to party. No state administration has enjoyed to a greater degree the confidence of all the people.

Slap at the Trusts.

We commend the action of the 73rd General Assembly of Ohio in passing

the stringent law now on our statute books, prohibiting the organization of "trusts," and we denounce such unlawful combinations as inimical to the interests of the people.

We congratulate the people of the state upon the fact that a Republican legislature enacted this law and we demand its rigid enforcement.

We pledge our party to such further legislation as experience may determine necessary to prevent the formation and operation of such iniquitous and dangerous combinations.

We demand such readjustment of our tax laws as will impose the burdens of taxation more equally and uniformly upon the various kinds of property.

The growing evil of lynching, attended at times by unspeakable horrors, is a blot upon our civilization and a menace to our republican form of government.

The Ohio centennial and Northwest Territory exposition, which is to be held at the city of Toledo in the year 1902, is an event in which all the states comprising the northwest territory should feel an interest. This is especially true of the state of Ohio, which was the first state to be carved from that great domain. This exposition will be held on the one hundredth anniversary of the admission of the state of Ohio into the Union, and will be the first opportunity which the state has had to adequately exhibit, display and show to the world the great progress which it has made in the first century of its existence, in all of its diversified industries and interests.

In order that the exposition may be a credit to this state, it will be necessary for the legislators to promptly make a liberal appropriation to that end and we recommend that the legislature at its next session, make an appropriation for this purpose, commensurate with the great interests involved.

We recommend that the Republican state central committee adopt a rule or nearly uniform as practicable for the selection of delegates to the state conventions of the Republican party.

Outline of Judge Nash.

The Hon. George K. Nash was born Aug. 14, 1842, in Medina county, Ohio, on the farm of his father, a prosperous and intelligent gentleman. His elementary studies were made at the schools of the neighborhood; he later continued his education at Oberlin college. Mr. Nash passed through his freshman year at that institution and was hard at work with his sophomore studies when the war of the rebellion became of more moment to him than his text books.

The young student, like so many of his fellows at that time from institutions all over the nation, left his books and lecture halls to shoulder a gun and march away.

It was due to sickness contracted in campaigns in the field that the young soldier never resumed his college studies. Instead, when he had recovered, Mr. Nash came to Columbus and began to read law under the tutelage of the Hon. R. B. Warden. He was admitted to the bar in April, 1867, and began his career as an attorney.

The first public office held by Mr. Nash was that of prosecuting attorney of Franklin county, to which he was elected in October, 1870. A reelection followed in 1872, when his term was completed, but toward the end of the second term of office, on Oct. 1, 1874, he resigned. Next came his nomination and election as attorney general in 1870 by the Republican party in Ohio. A second term in this position followed in 1881. It was two years later, in 1883, that Mr. Nash again resigned and exchanged his office for that of judge of the supreme court commission, to which he was appointed by Governor Foster. His term as judge expired in April, 1885.

Judge Nash also served as chairman of the Republican state executive committee during the years 1880, 1881 and 1882, and in 1897, when Hanna was a candidate for senator.

Opinions on the Ticket.

Senator Foraker: "It's a splendid ticket. It will carry the state with a whirl next November."

Senator Hanna: "It's a fine ticket, and it's a winner. It's the sequel of the harmonious expressions that were made before the opening session of the convention Thursday afternoon, and it's sure to be victorious."

Charles Gerrish: "Some of Mr. Kurtz's friends feel a bit chagrined over Judge Nash's nomination—not because of any enmity against Judge Nash, but because of the fact that he was Hanna's candidate. Still, this will all wear away in a day or two, and when the time comes you will find us all in line for the nominee."

A Philadelphia lady relates an experience of her own, saying that after suffering untold agony, her husband, who had heard Ripans Tabules very highly commended for persons suffering from lack of appetite or any complicated stomach trouble, strongly urged her to try them. Her stomach had seemed cold and she had had little appetite for many weeks. She determined to try the Tabules and to follow all the directions, but had little faith that there was any cure for the serious complications that appeared to have taken possession of her. It seemed to her hardly possible that a 50-cent package of Ripans Tabules would cure when a large doctor's bill of \$50 had failed to confer any benefit. "But," she added, joyfully, "they did! and my appetite improved almost immediately and now I can truly say that my general health was never better."

A new style packet containing TEN RIPANS TABULES in a paper carton (without glass) is now for sale at some drug stores—for FIVE CENTS. This low-priced sort is intended for the poor and the economical. One dozen of the five-cent cartons (120 tablets) can be had by mail by sending forty-eight cents to the RIPANS CHEMICAL COMPANY, No. 10 Spruce Street, New York—or a single carton (TEN TABULES) will be sent for five cents.

STATISTICS

Showing Births and Deaths
Outside of the City

And Clay Township—Total Number of Deaths Were 266 and the Number of Births Was 539.

The assessor's reports of the births and deaths of the various townships, outside of the city, show some very interesting statistics. The whole number of deaths in the county other than the city and Clay township, amount to 266, the number of births 539. This would indicate that the population has a very healthy increase over the deaths in the county as a whole, but in some of the townships as reported, it will only be a matter of time until they are depopulated. Lower Nile had 70 deaths and only 9 births, Washington 55 deaths and 22 births, while old Bloom reports 18 deaths and 10 births. Below will be found the report from each township with Clay and Wayne (Portsmouth) to hear from.

A Sad Affliction Befalls a Former
Portsmouth Family.

Word from Baltimore Friday conveyed the sad intelligence that Edward Raine, Jr., the grandson of Edward Raine, editor of the Baltimore Correspondent, and formerly of this city, had been killed by being run over by an electric car. The lad, who was only eight years of age, had gone to his grandfather's to spend the day, and while there engaged in playing ball with some boys on the street. Unfortunately he was knocked down and run over being horribly mangled. The father of the lad, who is well remembered here, died only a few years ago, and this last accident only adds to the grief of the grand-parents, who have the sympathy of many Portsmouth friends in their bereavement.

Give the Children a Drink

After you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it, because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color and tastes like the finest grades of coffee and costs about 1/4 as much. Children like it and thrive on it is a genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15 and 25c. 1

Practical statements to women about catarrh.

TRANQUILLITY

in women preserves beauty. Women suffering from any catarrhal trouble cannot be wholly attractive. If the catarrh is in the head, nose, throat or stomach the breath declares it. If it is in the lungs it means consumption. Troubles of the pelvic organs are in almost every case catarrh. Every phase of catarrh is unclean; many of them are disgusting.

Catarrh has many names but its character is the same; wherever it is there is inflammation. To cure catarrh the remedy must be scientific and thorough. Such a remedy is Pe-ru-na, which for forty years has been successfully combating this insidious disease. Read what Mrs. Benoit says about it:

Pe-ru-na Medicine Company, Columbus, O.

DEAR SIR:—I have been sick since last fall. The doctors said I had catarrh. I employed three physicians but they did not help me at all. I finally gave up doctors and began to take medicines. I saw advertised, but I continued to grow worse. I was so miserable I wished I was dead. Life had no pleasures for me. At last I saw Pe-ru-na advertised and got a bottle. Half a bottle helped me, and after I had taken four bottles I was well. I have gained in weight and feel years younger.—Mrs. Benoit, 131 Pleasant St., Cincinnati, O.

Dr. Hartman will prescribe for fifty thousand women this year free of charge. All women suffering from female troubles or any disease of the mucous membrane may have Dr. Hartman's private counsel without cost. Send for special question blank for women.

Mrs. J. Koeller, Rockford, Ill., says:—"I have been troubled with chronic catarrh several years. I tried almost everything, and employed several prominent physicians, but to no avail. I saw an advertisement of your medicine and gave it a trial. I have found Pe-ru-na a great help. I can heartily recommend it to all suffering from that dread disease."

The uncleanness of catarrh makes the disease abhorrent to a careful woman. Catarrh will not go away itself. Its existence must be made impossible. This is what Pe-ru-na does. It makes the membranes healthy all through the organs of the body and catarrh ceases to exist. All druggists sell Pe-ru-na.

D. of H. Social.

The regular monthly Degree of Honor social last Thursday night at the A. O. U. W. hall was something out of the ordinary. Quite a number of invited guests were present. The first part of the evening was for business purposes, as usual. Mrs. Jordan the chief of honor of this lodge contemplating moving to Hammond, Ind., the secretary was instructed to give her a letter of recommendation and introduction to the sisters of the Indiana city. On account of the nearness of our Grand lodge meeting and having many candidates who wish to be in full fellowship by that time the social meetings were ordered discontinued until September, so initiations can take place at every meeting. The social committee then took charge and with Mr. Louis Steahly at the piano games were indulged in, the imported German band composed of Mueller, Jungmann, Hugley, Bruehmer, Bradbury, Galford and Nat Mortan alias Clark gave some of their choicest selections. This organization does not need notes, each member being selected with a view to playing in the dark for serenading parties. Their cake walk was well. It was something that had to be seen to be appreciated. A recitation by Miss Mamie Brown concluded the evening's exercises.

ONLY ONE CURE

Remedy Equal to this
Obstinate Disease.

is equal to any blood trouble, and it goes down to the seat of the disease, thus permanently eliminating every trace of the taint.

The serious consequences to which Scrofula surely leads should impress upon those afflicted with it the vital importance of wasting no time upon treatment which can not possibly effect a cure. In many cases where the wrong treatment has been relied upon, complicated glandular swellings have resulted, for which the doctors insist that a dangerous surgical operation is necessary.

Mr. H. E. Thompson, of Milledgeville, Ga., writes: "A bad case of Scrofula broke out on the glands of my neck, which had to be balanced and caused me much suffering. I was treated for a long while, but the physicians were unable to cure me, and my condition was as bad as when I began their treatment. Many blood remedies were used, but without effect. Some one recommended S. S. S., and I began to improve as soon as I had taken a few bottles. Continuing the remedy, I was soon cured permanently, and have never had a sign of the disease to return." Swift's Specific—

S. S. S. FOR THE BLOOD

—is the only remedy which can promptly reach and cure obstinate, deep-seated blood diseases. By relying upon it, and not experimenting with the various so-called tonics, etc., all sufferers from blood troubles can be promptly cured, instead of enduring years of suffering which gradually but surely undermines the constitution. S. S. S. is guaranteed purely vegetable, and never fails to cure Scrofula, Eczema, Cancer, Rheumatism, Contagious Blood Poison, Boils, Tetters, Pimples, Sores, Ulcers, etc. Insist upon S. S. S.; nothing can take its place. Books on blood and skin diseases will be mailed free to any address by the Swift Specific Company, Atlanta, Georgia.

SPECIAL

Grand Jury Will Be Empaneled Next Tuesday.

Mrs. Rhoda Lundy Gets Off With a Stiff Fine and the Costs.

Strong Plea Made in Her Behalf by Attorney McCormick—Number of Divorce Cases Set for Hearing.

Judge Milner held court about forty minutes this morning, doing an unusual amount of business in the short session.

The case of A. R. Rosenberger against O. S. Cadot, demurrer, was overruled and exceptions filed.

Mrs. Rhoda Lundy, who had been declared guilty by a jury of living in adultery with her brother Frank Lundy, came into court this morning for sentence. Hon. A. F. McCormick made a strong plea for leniency, as the woman had a four months old child in her arms and was also caring for seven other children, and to take her away would doubtless cause these to become a county charge. Judge Milner said he was aware of the circumstances, but she had been found guilty of a very grave charge, and if prosecuted possibly could be found guilty of a penitentiary offense, i. e.—living in adultery with her brother-in-law. After giving the matter due consideration he would assess a fine of \$40 and costs, and to stand committed until paid. The sheriff was instructed to make some arrangement for the future payment of fine and costs, instead of compelling Mrs. Lundy to remain in jail until the money could be raised. Some arrangement was made by the friends of Mrs. Lundy and she was allowed to go home.

The following divorce cases were set for hearing Wednesday, June 7. William Windsor against Eliza Windsor; Isabella Brooks against George Brooks; Rachel Walden against William Walden; Barbara Ramsey against Andrew Ramsey; Lillian A. Andres against William S. Andres; Mary Martin against William Martin.

The divorce cases of Charles Kirkendall against Sarah Kirkendall and Janey Manly against Lettie J. Manly were continued.

O. O. Kennedy against R. N. Williams, Sheriff sale confirmed and deed ordered.

SPECIAL GRAND JURY. Judge Milner ordered that a special grand jury be empaneled

next Tuesday morning at 8:30 o'clock. A special Grand Jury must be chosen from the bystanders present at the hour named and not drawn from the jury box as is the rule with other jurors.

WITH A CRASH

Two Bicycles Came Together on Robinson Avenue

And Lucien Doty Was Seriously Injured, a Gash Being Cut in His Chin—Will Bird Also Hurt.

Lucien Doty met with a painful accident Friday evening while riding on his bicycle. He had a collision with Will Bird, the colored assistant to John Moeller, and was badly cut and bruised. The accident occurred on Robinson avenue, almost directly in front of the Bannon home. Mr. Doty was on his way home. He saw a great cluster of insects and ducking his head started to ride through them rapidly. It chanced that at the same time Bird was approaching from the opposite direction. He too saw the insects and ducked his head and sailed into the swarm. The wheels came together with a terrific crash and both riders went to the ground. Mr. Doty being unconscious from the blow. Mr. Doty was assisted home and it was found that he was severely cut about the chin. It was necessary to take five stitches to close the wound. He was also badly bruised. Bird was bruised but not so seriously hurt as Doty. Both wheels were wrecked, Bird's being broken squarely in two.
